

Exclusive Motus Member Benefits

With hundreds of promotional offers ranging from vehicle-related services to entertainment and excursion discounts, Motus Perks makes it simple for employees to save money in a convenient, seamless way that complements and enhances their mobile work experience.

Key Benefits Include:

Localized Offers

Motus Perks displays offers in each driver's locale to provide relevant and useful discounts.

Increase Buying Power

With our wide variety of discounts, employees can explore hundreds of offers, helping them stretch reimbursement dollars to achieve maximum value.

Employer Benefits

Employers can provide additional benefits to their drivers at no extra cost!

Motus Perks Supports Your Employees By:

- Providing an exceptional and streamlined in-app experience that puts high-value offers right at your drivers' fingertips.
- Saving employees up to \$4,500 per year on average, including thousands on new vehicle purchases and 15% off on tires and maintenance services.
- Access to a wide range of local and national promotions, including restaurants, hotels and meal delivery services, at no additional charge.

Meet Our Spotlight Perk: Motus Insurance

Drivers can efficiently compare and purchase vehicle, home and rental insurance rates from carriers to secure the best prices. Our quoting experience will populate a list of insurance packages and rates that are fully customized to fit the needs of drivers. If users have specific questions, they can speak with an agent to get immediate answers.

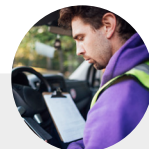

Comprehensive

Drivers stay informed with full visibility into coverage types from leading carriers.

Convenient

Drivers avoid the hassle of fielding messaging and emails from competing insurers and can efficiently compare rates and make decisions.

Customizable

Drivers can select from a variety of coverage options that best fit their unique needs and program requirements.
